Letter of Intent

After graduating i'm really up to get my Master degree as to later on when i came back into my countr i'm going provide the artificial parts industry hard work and intentions

Please explain your expectations from the higher education in Turkey and your plans for after graduation.

Many reasons , as it appreciates social work & volunteered job .Also,as to the importance of environment , Turkey is safer than any other countries & the atmospheric surroundings is motivational for the education purposes

Please indicate why you have chosen Turkey for higher education.

Biomedical engineering is a well step to start inserting diffrence in Medicine , as to its about creating artifical parts , tissues & organs .In my country they suffer from the lack of technological implements on medical treatments

Please indicate why you have chosen these particular departments and your knowledge about these departments.

Information on Hobbies

I'm a big fan of books , As i'm interested in reading for big business authors like , Donald trump , Robert Karyoski , Bob Robert . In Addition i'm into novels specially the romantic Arabian ones like Hebta . Secondly , Collecting PC graphic cheap is a habit for me , as i'm interested in switching the game frame every time. The same way i'm into reading about business , i spend most of time on the internet searching for an online courses ,videos and websites about building social brands from Udemy , Tedex , Youtube or Google . At the end of the day , I've to boost myself with some exercises .I prefer the body wight training as it may hit the muscle fibers deeply my favorites ones are the pull-ups & push ups because they do focus on the upper body shape.
